ANDATURA

**C**on la collezione Andatura C&C Milano codifica un nuovo alfabeto per la decorazione: l'eleganza sportiva dei vessilli di navigazione internazionale richiamano la classicità della biancheria secondo la Maison Milanese. Per carattere, la collezione Andatura informa spazi ibridi, in cui il rigore delle linee geometriche è ammorbidito da brillanti accenti di colore. Una nuova classicità veste la camera da letto, il bagno e la tavola con motivi universali e senza tempo. I disegni della collezione Andatura sono declinati in puro percale di cotone egiziano nei set letto, in morbido matelassé di cotone per i copriletti, in materica tela di lino per la tavola e soffice spugna di cotone per il bagno; le tonalità classiche dei bianchi, dei beige e crema e una punta di grigio perla sono protagonisti insieme al rosso carminio dei nastri in taffetà di lino, delle impunture e delle applicazioni per interpretare uno stile raffinato ed easy chic. Bravo, Victor, Mike, November, Romeo, Juliet, Yankee, Zulu, Golf, Foxtrot e Charlie sono i modelli che tracciano lo stile deciso ed essenziale della collezione Andatura.
